

## 2014 SUMMER BAND CAMP PROGRAMS

*It is highly recommended that all instrumental students continue their involvement in music during the summer months by attending a band camp and/or receiving private lessons. Summer band camps can be a lot of fun, in addition to building on the student's hard work over the past school year. The summer months can make a big difference in growth or loss of instrumental skills. The following is a list of some of the band camps being offered in the Howard County and surrounding areas. If you are interested in starting your son or daughter on private lessons this summer, you will find a list of teachers in the Howard County area at the following website: <http://sites.google.com/site/hcparents4schoolmusic/list-of-private-instructors>*
